•**UPDATED 2009 Harmony Language Arts Fair;** Dear Harmony Parents, Guardians, and Students:

Due to the recent missed school days, the English department will be changing the criteria for the Language Arts Fair. Students will present their projects during their assigned-English classes instead of using the whole day for judging and award ceremonies. The book project will still be a major grade for this last reporting period. Students will have adequate class time to work on their worksheets for their project.

Each English teacher will set their own guidelines for their classes, which will be presented to each grade by Thursday, May 7th. Each project will also be judged by the students' English teacher. Parents are still welcome to watch the presentations; please contact your child's teacher if you are interested in viewing their presentation. I will also hold after school work sessions for the book projects; students may work on their worksheets in my class from 2:45-3:45pm (Wednesdays will only be from 2:45-3:25pm).

I will be contacting those whom donated monetary gifts and prize donations; we will still handout top awards for each section. The pizza party planned for the Language Arts Fair will be held during the last week of classes; donated pizza money will be used for this event. Please email me, Mrs. Glover, if you have any questions.
